

Welcome!

12826 SE 40th Lane, Suite 203, Bellevue, WA 98006 | 925.785.0558 | www.witprofessionals.com

Welcome to WIT (Wellness Integrated Team) Professionals!

You are valued - your relationships - your health - your wellness.

In response to this value, WIT is a team of professionals NOW available to you!

The Gift Card Membership

The attached gift card represents free professional consultations with any of the members from the WIT team. See www.witprofessionals.com to familiarize yourself with the team. Our company will let you know how many consultations are available to you at our first WIT Professionals workshop, where you will meet a WIT Professional in person.

The How and Why of this Membership Benefit

Our company understands that communication issues can get tricky at unexpected times and we want everyone to know who can be called to get the best confidential consultation about what matters to each one of us.

WIT's team provides expert VIP support in the following areas:

Communication	Stress	Nutrition
Exercise	Finances	Organization
Conflict	Mediation	Career Coaching

Workshops - take the mystery out of the referral list

As a part of this benefit you will have the opportunity to meet a variety of WIT Professionals face-to-face. WIT provides different workshops during the year, on site, according to the company chosen membership plan. A handshake and personal introduction provides every person with a personal connection. We will receive "WIT Tip" emails once a quarter with a helpful wellness tip and a reminder to each of us of the confidential benefit available on our gift card.

The First Step after a Workshop: Call!

As a VIP member, once you contact WIT, the following is the commitment to you:

- Your call is confidential - this consultation is a gift - this is between you and WIT.
- Your call will be returned within 24-48 hours - you are a VIP.
- You will be connected with the best professional for your consultation.
- Your contact with WIT will save you stress, time, and money. Just text or call!

The WIT team looks forward to meeting in person when we visit for a workshop!

Were a communication situation to come up in your life thru the next year, we are here for you either by phone or face-to-face for your confidential consultations.

Welcome! We hope to hear from you!
